EPA LETTER.doc List of Client contacts for EPA.doc

All,

I just received the attached letter from Mr. King.

Apparently, a miscommunication occurred between EPA/Seattle and EPA/Anchorage regarding inviting the tribes. My email records show that for purposes of such invitations, I sent on June 11 to Ms. Holsman, Ms. Tyler, Ms. Thomas, and Ms. Anderson-Carnahan all the contact information (attached) for all six tribes that are signatory to the 404(c) letter. Yet, that information apparently did not get forwarded to Ms. Fordham. (I sent the same to her yesterday.)

The lack of that information apparently has resulted in the email string, pasted below, that starts out with not one of those six tribes included in setting up this meeting with Ms. Jackson and Mr. McClerran.

I trust this is now being straightened out. Please keep me informed. I recommend that all six tribes that requested 404(c) be invited. I also recommend that you include AIFMA and TU, both of which have supported the six tribes on 404(c), and have recommended that EPA coordinate with those six tribes.

Best regards,

Jeff Parker

Tomorrow afternoon would work, however Billy Maines is in DC and I've cc'd Dorothy Larson, Curyung Tribe's Tribal Administrator. I've tried to contact Sue Flensburg at BBNA but she was out of her office today. I've alerted both Ralph Andersen, BBNA CEO and Arla Johnson BBNA Brownsfield Coordinator. If possible, can you send me a tentative travel schedule - that would assist Tribes in Bristol Bay with their travel planning efforts.

To Tami Fordham Alaska Resource Extraction Tribal Policy Advisor **TRIBAL TRUST AND ASSISTANCE** EPA Region 10- Alaska Operations Office

In summary Tami I attended both teleconferences with you. I have discussed the outcome with the president of our tribe. We are left with the feeling that the fix is in. We look at this with "common sense" of which we find none. To meet with Industry (Pebble) with so little time in Dillingham when they are (based in) Anchorage doesn't pass education ional reasoning! "Sniff Sniff". I have sent a **letter months ago** asking for Dennis and others to meet with the **Tribes for a DAY or So**. Evidently a phone call from Pebble takes precedence. I understand the time issues for EPA, however if Pebble (industry) has a closed door meeting in Dillingham to corner EPA and PRESENT. We require the same time and the same closed door. I am writing you assuming that this request will be forwarded. We want Nunumta and their presenters of which we will choose to represent us. We would ask for the same educational opportunity as industry. We feel that we are just in the way and of know value with the actions taken by EPA we have requested time **months in advance**. Probably the first one!!!! I look for your reply.

Re: Contact Information for my tribal and other clients for purposes of any arranging any

meeting responsive to Mr. Akelkok's invitation of April 14, 2010 to Mr. McLerran, regarding the potential Pebble mine, the Tribes' 404(c) request, and related matters.

Date: June 11, 2010

I understand from Phil North, of EPA in Alaska, that either of you might be responding to a letter, dated April 14, 2010 and attached, by which Mr. Luki Akelkok, President, Ekwok Village Council, invites Mr. McLerran to visit the Bristol Bay drainages of Alaska this summer, and volunteers to assist in coordinating with other Tribes and interests in the area.

I told Mr. North and Ms. Holsman that I would forward to EPA my list of contact information, attached, for the six Tribes which recently sent a letter to Mr. McLerran and to Ms. Jackson requesting that EPA to commence a 404(c) process with respect to certain lands in the Kvichak and Nushagak drainages of Southwest Alaska, and for AIFMA Cooperative (a cooperative of commercial fishers) and Trout Unlimited, both of which have communicated to EPA their support for the Tribes' 404(c) request. Mr. Akelkok has suggested that Ekwok's Tribal Administrator, Richard King, can assist you coordinating for all eight of my clients on matters related to Mr. Akelkok's invitation.

If I can be of further assistance, please advise. Phone communications in SW Alaska are not easy during the summer. I often find that tribal administrators can assist.

Thank you.
